MATCHING (write the number of the text by the summary that corresponds)

1. John 13:19
2. Daniel 8:13-14
3. Ezekiel 4:4-6, Numbers 14:34
4. Daniel 9: 20-27

5. Ezra 7:13-26
6. Luke 3:1-3, 21-22
7. Acts 13:42-47

____ Many symbols are used in the prophetic books of, Daniel, and Revelation. One of these symbols is the day. By searching other scriptures we find that God at times uses days to symbolize years.

____ After an amazing vision of the future, Daniel is told that it will take 2,300 days to complete the vision, for the sanctuary to be cleansed.

____ With the ending of the 490 day part of the prophesy God directed the early church to take the gospel to the Gentiles just as prophesied in Daniel and in Isaiah 42:6 and 49:6.

____ The decree to both restore and rebuild Jerusalem (457 B.C.), gives us a starting date from which we can then calculate the date for the coming of Jesus, His ministry, His death, the end of the grace period for the Jews, and the movement of Jesus from the Holy Place to the Most Holy Place in the heavenly sanctuary.

____ This selection of Daniel is a prophecy that pin points to the year, day, and hour the beginning of Jesus ministry, His death and the gospel going to the gentiles. By linking this prophecy to the activities in the earthly sanctuary, we can see how the process of salvation is progressing in the heavenly sanctuary

____ Jesus explains to His disciples that He gives prophecies for the purpose of building our faith.

____ Six historical time stamps are given for the date when John baptized Jesus including the time of the year (fall 27 A.D.).

SUMMARY PARAGRAPH

God wants His children to have confidence in Him. To build this confidence He has given many prophecies that when fulfilled in detail lead His people to trust Him more fully. There are for instance over 100 prophecies written in the Old Testament concerning the coming Messiah and these were fulfilled with perfect accuracy in the life of Jesus. There are a number of prophetic books in the Bible with "The Revelation of Jesus Christ" being the crown jewel among them. The time prophecies of Daniel 8 and 9 are inspiring to study because you find that Jesus, our Passover lamb, began His ministry exactly on time and died just as the prophecies said He would. Because these parts of the ancient prophecies were fulfilled with 100% accuracy we can trust that the future is safely in His hands and He will ensure our eternal deliverance from the dragon.

TEXTS FOR FURTHER STUDY

Isaiah 53; Acts 7:51-8:3; Acts 10:38; Acts 22:21; 1 Corinthians 5:7.
