___ No matter what great things we do to honor and glorify Jesus, without Him as the very foundation of everything our life will be destroyed when the testing comes.

___ All overcomers are clothed in white a symbol of Jesus' righteousness and their names are written in the Book of Life. We can overcome only by the power of the blood of Jesus to cleanse us, yet we must maintain our allegiance to Jesus even to the point of death.

___ Just before the destruction of evil, after the 1000 years, all the dead (this can only be the lost because at this time the saved are alive in the New Jerusalem), will appear before God and be judged according to the things written in the books. Each individual will see the validity of the verdict by examining their records. This will justify why God has not written their names in the Book of Life thus why they will be destroyed.

___ Here we see two groups of people who both profess to follow Jesus and be saved by His grace into His eternal kingdom. Yet they are separated into saved sheep and lost goats. This emphasizes that our lives must match our profession in order to be saved. (We are saved by grace but judged by works)

___ In this vision of judgment. Jesus is inaugurated and given all authority to judge. The first phase of the judgment is investigation, the books of record are opened and the life of each person is researched. The second phase is judicial or sentencing, where the saints are identified, and their name written in the Book of Life (the roster of who Jesus will collect when He comes). In the third phase, executive, the sentences are carried out, the saints are taken to heaven (beginning of the 1000 years), and all evil is consumed and destroyed forever (end of 1000 years).

____ The Bible teaches that our actions matter. We will be judged by our works.

____ If we believe in God and listen, hear and follow Jesus, we have nothing to fear in the judgment.

SUMMARY PARAGRAPH

The Bible teaches that every human from the very beginning, has a record of their life written in the books of heaven. Before Jesus comes every person's life will be researched to determine if they are saved or lost. This first part of the judgment is the investigation phase, the books of record are opened and the life of each person is researched. The second phase is the judicial phase or sentencing, where the saints are identified, and their names written in the Book of Life, the roster of who Jesus will resurrect and take to heaven when He comes. The third phase, executive is where the sentences are carried out; the saints are taken to heaven, and all the lost are consumed and destroyed forever. The key to success in the judgment is our relationship to Jesus. If we live a life of allegiance to Jesus where our words and actions match we will be judged saved. Just before they are thrown into the fires of hell the lost will stand before God and each individual will see the validity of the verdict by examining the evidence for themselves.
