\_\_\_ When we choose Jesus as our unrivaled shepherd immediately we are eternally secured by the powerful hands of both the Father and the Son.

\_\_\_ The incarnation of Jesus is God's way to bridge the gap between heaven and an earth plunged into sin, to show the truth about the character of God to stand against the lies of Satan. Jesus and His character are a direct revelation of the Father, even with the incarnation Jesus and His Father remain one.

\_\_\_ Jesus was sent on the mission to rescue and return fallen people to the protective care of His Father. All evil will be conquered and the universe cleansed by the actions of the Son who acts as on the Father's behalf.

\_\_\_ The very best description of God is a simple equation  $GOD = LOVE$  and to understand what love is we have the mission of mercy sent by the Father to His enemies to save them.

\_\_\_ When you see the sin free emancipated humans who sit around the throne of heaven casting their crowns before the throne of God and praising His almighty name it calls us to join in praise for what He has done and is doing to end the rebellion once and for all.

\_\_\_ God is God because of attributes like love, patience, and gentleness of which we can share, but, there are some attributes which are God's alone. Immortality is a sovereign attribute that belongs only to God.

\_\_\_ Jesus attributes His power, His character and His good works to the example He sees in His Father. From boyhood He set His face to doing His Father's business. We can be assured that as we honor Jesus and pattern our lives after Him we will be honoring God the Father as well.
