LESSON 40

Speaking in Tongues

MATCHING (write the number of the text by the summary that corresponds)

- | | |
|-------------------------|--------------------------|
| 1. Mark 16:17 | 5.1 Corinthians 12:27-31 |
| 2. Acts 2:2-12 | 6.1 Corinthians 13:1-13 |
| 3. Acts 10:44-46 | 7.1 Corinthians 14:1-40 |
| 4.1 Corinthians 12:7-11 | |

___ Part of the promise that attends the gospel commission is the ability to speak new languages as an aid to spreading the gospel.

___ This scripture passage gives ground rules for the gift of tongues to prevent misuse that would dishonor God

- Tongues like all other gifts of the Spirit are for building up the church
- If tongue is not to be interpreted they should not be spoken
- Seek for spiritual gifts that build up the church
- Tongues are a blend of Spirit and understanding
- Speaking words that lead to understanding more valuable than an unknown tongue
- Tongues are a sign (like at Pentecost) that something miraculous is happening
- Disorder and chaos dishonor God
- Do not forbid the speaking in tongues in their proper place

___ Every gift given to the church must be used in love. Jesus, the greatest gift ever given to men is a powerful example of the others based use of gifts. Though He could have made quite a name for Himself and enjoyed luxury and fame, instead He poured Himself out for us.

___ On the day of Pentecost when the Holy Spirit was given in power, the striking manifestation was in the ability of the disciples to speak in languages they did not know. The obvious purpose of this gift was so that they could share the gospel with foreigners who spoke another tongue.

___ God demonstrates that acceptance and the gift of the Holy Spirit manifest powerfully on the disciples in the speaking in tongues on the day of Pentecost, was also extended to non-Jews.

___ The gifts of the Holy Spirit are given to the church for the purpose of building it up and helping it to complete it's mission.

___ God wanted to the early church to reach out to all men and so He gave the gifts of language both speaking and interpreting to break down the barriers that would restrict the spreading of the gospel.

SUMMARY PARAGRAPH

God is intent on saving as many people from sin and destruction as is possible. The early church was given a number of gifts to aid in this process, one of which was the gift of tongues. On the day of Pentecost the disciples spoke in the native languages of Jewish converts from around the world and this drew their attention to the message being preached. This places tongues in their proper place, as a means to break down barriers and open people's hearts to the gospel. Paul speaks directly to the proper use and purpose of Spiritual gifts in 1 Corinthians 12, 13 and 14. Here he calls for unity in the church and teaches repeatedly that the gifts are for the edification or building up of the church as it focuses on the mission of taking the gospel to the ends of the earth.
